A/B, 4, 3/37

6 June 1951

MINUTES OF MEETING
(5 June 51)

THOSE PRESENT:

distributed copies of the bibliography to:

of I&SS (#23)
(#24)
of (#25)

The recipients were advised that these copies were not to circulate outside of CIA without specific permission.

Discussion of concurrence memo, 13 March 1951, was concluded.

reported on recruitment and stated we had a team as follows:

(of who could be used)

Five prospective men experienced in polygraph operation have been located. Their placement in the Bluebird T/O or in those divisions has not been decided. The program of recruitment will be implemented by a committee formed to study background of existing employees in etc. to find suitable team members.

, I&SS - Chairman
, OSI

reported on his trip to (See Report in File).

will brief at 10:00 a.m., Wednesday.

Coordination of research between OSI panel program and program will be effected by of OSI and of The American programs through of will be coordinated with programs.

will brief those persons whose names were included in the memo to dated 29 May 1951. They are the Division Heads in

Further distribution of the list of persons familiar with "Bluebird will be strictly limited for the present. Possible future distribution may be carried out when the security classifications have been rewritten. [redacted] will prepare, for the approval of [redacted] and [redacted] a revision of the security descriptions. The personnel currently on the list will be reviewed for redesignation as to security classifications or removal from the Bluebird list.

The members of the group were reminded that any administrative matters relating to this project can be classified secret where possible. This should be done to simplify the handling of the material. [redacted] stated that he would contact certain persons in the military establishment so that the most influential and effective liaison personnel would be obtained. The centralization of substantive information was discussed and agreed upon that until a formal staff support group is organized [redacted] will be the custodian of or have access to all substantive information.

The next meeting of the group will be during the week of June 11.
